Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b),(c)

On March 4, 2014, Apple Inc. (the “Company”) announced that Peter Oppenheimer, the Company’s Senior Vice President, Chief Financial Officer, will retire at the end of September and Luca Maestri, the Company’s Vice President of Finance and Corporate Controller, will be appointed as CFO and will transition into that role in June.

(e) 2014 Employee Stock Plan

The Board of Directors (the “Board”) of the Company previously adopted, subject to shareholder approval, the Company’s 2014 Employee Stock Plan (the “2014 Plan”). The Company’s shareholders approved the 2014 Plan at the Annual Meeting of Shareholders held on February 28, 2014 (the “Annual Meeting”). The Company’s grant authority under the Company’s 2003 Employee Stock Plan (the “2003 Plan”) terminated at that time. The 2014 Plan, which became effective upon shareholder approval, permits the granting of stock options, stock appreciation rights, stock grants and restricted stock units, as well as cash bonus awards. Employees (including executive officers and directors who are also the Company’s employees) and consultants of the Company and any subsidiary of the Company are eligible to participate in the 2014 Plan.

The maximum number of shares that may be issued or transferred pursuant to awards under the 2014 Plan will equal:

- 55 million shares, plus
- the number of shares available for new award grants under the 2003 Plan on the date of the Annual Meeting (determined before giving effect to the termination of the authority to grant new awards under the 2003 Plan), plus
- the number of any shares subject to stock options granted under the 2003 Plan and outstanding as of the date of the Annual Meeting which expire, or for any reason are cancelled or terminated, after that date without being exercised, plus
- the number of any shares subject to restricted stock unit awards granted under the 2003 Plan that are outstanding and unvested as of the date of the Annual Meeting which are forfeited, terminated, cancelled, or otherwise reacquired after that date without having become vested or that are exchanged or withheld by the Company or one of its subsidiaries after that date to satisfy the tax withholding obligations related to the award (after giving effect to the 2:1 premium share counting ratio described below).

The maximum number of shares that may be issued or transferred pursuant to awards under the 2014 Plan as a result of applying the share limit formula described above will not exceed 109,477,000 shares, which is the sum of (i) the 55 million shares referred to above, plus (ii) the 16,608,000 shares available for new award grants under the 2003 Plan on November 11, 2013, plus (iii) the 3,361,000 shares subject to stock options previously granted and outstanding under the 2003 Plan as of November 11, 2013, plus (iv) two (2) times the 17,254,000 shares subject to restricted stock units previously granted and outstanding under the 2003 Plan as of November 11, 2013.

Shares issued with respect to awards granted under the 2014 Plan other than stock options or stock appreciation rights are counted against the 2014 Plan’s aggregate share limit as two shares for every one share actually issued in connection with the award. The 2014 Plan also includes other rules for counting shares against the share limits.

The foregoing brief description is qualified in its entirety by the text of the 2014 Plan, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

Grants under the 2014 Plan will be made pursuant to the Company’s Restricted Stock Unit Award Agreement and the Company’s Performance Award Agreement, forms of which are filed as Exhibits 10.2 and 10.3 hereto and incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

At the Annual Meeting the shareholders of the Company approved amendments (the “Amendments”) to the Company’s Restated Articles of Incorporation (the “Articles”) to (i) facilitate the implementation of majority voting for the election of directors in an uncontested election by eliminating Article VII, which relates to the term of directors and the transition from a classified board of directors to a declassified structure, (ii) eliminate the “blank check” authority of the Board to issue preferred stock and (iii) establish a par value for the Company’s common stock of \$0.00001 per share.

Following the Annual Meeting, on February 28, 2014, the Company filed its Amended and Restated Articles of Incorporation (the “Articles of Incorporation”) with the California Secretary of State, giving effect to the Amendments. The Amendments became effective on February 28, 2014. The foregoing description of the changes contained in the Articles of Incorporation is qualified in its entirety by reference to the full text of the Articles of Incorporation, a copy of which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.

On February 28, 2014, the Board adopted the Amended and Restated Bylaws of the Company (the “Amended and Restated Bylaws”). Sections 2.4, 2.5 and 5.11 have been amended to implement majority voting in uncontested elections of directors in accordance with Section 708.5 of the California General Corporation Law, superseding the previous plurality standard. The Amended and Restated Bylaws also include a number of ministerial, clarifying and conforming changes, including, among others, the addition of Chairman and Chief Executive Officer to the list of persons specified in Section 5.3 who may call special meetings of shareholders and changes to Sections 5.10, 10.1, 10.2 and 10.6 to conform to current California General Corporation Law.

The foregoing description of the changes contained in the Amended and Restated Bylaws is qualified in its entirety by reference to the full text of the Amended and Restated Bylaws, a copy of which is attached hereto as Exhibit 3.2 and is incorporated herein by reference.
